

Zariia

THE KEY

Read it out. Do not copy it anywhere it will be kept.

drop --

The record plays for anyone. These words unlock the second channel, and both then play together.

Holding this does not make you a member of anything. It is a trace of having been in the room, and yours to pass on.

Say it, don't send it. If you are somewhere you can be overheard, the player will let you pad it with nonsense words.
